2. Read General and Revenue Secretary's docket No. 10720-1—L. B. 439-05-1, dated 17th April 1906, calling for opinion regarding the constitution of villages consisting of more than 300 houses or 1,000 people, into Unions.

Resolution.—The Board are of opinion that as a general rule, the principle that villages consisting of more than 1,000 people or 300 houses should be formed into Unions may be adopted. Important villages on the road side and in the malnad though not coming up to the above standard may be treated as special cases.

3. Read Government Proceedings No. 12884-5—Med. 283-05-2, dated 16th June 1906, regarding the construction of a Dispensary building at Kumsi.

Resolved that the growing importance of Kumsi on account of Manganese industry carried on in its neighbourhood requires that Dispensary building should be constructed there at once. The Dispensary is at present located in a room in the Sub-Taluk Cutcherry building and is considered as unsuitable. The cost of the building without quarters for the Hospital Assistant and midwife is estimated at about Rs. 8,500. If the building is undertaken at once, the District Fund quota of the cost may be met out of the closing balance of the District Board or from the provision of Rs. 3,175 that has already been made for a building at Siralkoppa which may wait till next year.

4. Read General and Revenue Secretary's docket No. 13375—San. 495-05-2, dated 30th June 1906, requiring further particulars to be furnished in the matter of holding Cattle Exhibitions at Rampur and Kudli.

Resolved (1) That cattle-shows be held in alternate years at Kudli and Rampur as the jatras are held in the month of Magha at Rampur and of Chaitra at Kudli and the distance between the places is only nine miles. The holding of the show at both the places in one and the same year will defeat the object in view as the same cattle that win the prizes at one show are likely to be brought to the other.

(2) The prizes to be awarded are as follows:—

	Rs.
Two prizes of Rs. 25 and 15 for the best draught bullocks	40
Do do plough bullocks	40
One prize of Rs. 20 for the best cow	20
Do 10 do	10
Do 15 for the best she-buffaloe	15
Total ..	125

A sum of Rs. 125 only will thus be required for prizes in each year.

(3) That the number of prizes and rates be subject to revision after experience of one or two years.

5. Read General and Revenue Secretary's memo No. 12000—Ml. 570-5-2, dated 23rd May 1906, requesting to be informed if the District Board is prepared to pay half of the Municipal share payable for constructing a compound wall and sinking a well in the compound of the Local Fund Dispensary at Tirthahalli.

Resolved that as the District Board have already paid their quota of Rs. 378 for this work, they feel unable to pay anything more on account of Municipal share which they suggest might be borne by Government. The closing balance of the District Funds is less than the minimum prescribed.

6. Read Government Proceedings No. 365-75—San. 225-05-5, dated 14th July 1906, regarding the appointment of Sanitary Inspectors for each of the taluks in the district.

Resolved that an Assistant Sanitary Inspector should be appointed for each of the Taluk Boards and that a moiety of their pay and allowance be met from the Municipal Funds as in the case at present with Work Inspectors now employed. Out of the existing Work Inspectors three have beenc onfirmed in their appointments and four are temporary men, while there is a vacancy in the Sorab Taluk. The temporary men will be served with notices and their places will be at once filled up by trained men for whom application will at once be made to the Senior Surgeon and Sanitary Commissioner. The three permanent men are not also qualified and they will be transferred to the Revenue Department as vacancies occur, such vacancies being filled up by passed men.

7. Read this office letter No. 1031—185, dated 11—16th May 1906, to the General and Revenue Secretary, stating that the question of revising the District Board establishment will be discussed at this meeting.

Resolved that as the work in the office of the President and in the offices of the Taluk Boards has increased considerably, each Taluk Board should be allowed a gumasta on Rs. 12-1-15 and the Local Boards' establishment at Head-quarters be revised as follows:—

Staff	Existing		Proposed		Annual increment

8. Read Senior Surgeon and Sanitary Commissioner's docket No. 6804, forwarding extracts from the District Medical Officer's Inspection Notes of Kumsi and Nagar Dispensaries and Female Dispensary at Shimoga

Resolved that dead-houses are necessary at Kumsi and Nagar. The estimate for a dispensary building at Kumsi should provide for the dead-house there as well. The Senior Surgeon will be addressed about the Nagar Dispensary dead-house.

Mr. Bhima Rao and other members are of opinion that until a better building is provided, the Female Dispensary at Shimoga should continue in the Petta as it is very convenient for women and children residing in the town. The removal of the Female Dispensary to the men's hospital does not commend itself to the members. The President who inspected the present building of the Female Dispensary is of opinion that the existing building is not suitable and that a new building should be constructed in a convenient locality with quarters for the Lady Apothecary and conveniences for in-patients.

10. Executive Engineer's docket No. 564, dated 16th May 1906, forwarding a revised estimate for Rs. 3,024 for special repairs to Guddekoppa-Kallurkatte road.
